Category-Specific Notes

- **Exhibit Entries:** Bring your project and three copies of your process paper and bibliography. If you need electricity, you must bring your own extension cord. You are responsible for removing your exhibit when the event is over. Event staff will NOT save projects or bring them back to your school.
- **Documentary Entries:** Bring three copies of your process paper and bibliography. At the contest, you will need to submit a URL (YouTube, Google Drive, Vimeo links, etc.) for a digital copy of the Documentary at the start of your judging time. Judges may use this link to refer to your project during final-round discussions.
- **Performance Entries:** Performance rooms are classroom-size; do not plan on a large stage. You must provide all props. Bring three copies of your process paper and bibliography.
- **Website Entries:** You will be locked out of editing your project one week before the Regional contest. Judges will be reviewing your project during this time in advance of the competition. Upload your process paper and bibliography to the website before the lockout deadline. **Website students should bring a laptop or tablet to the competition to reference during the interview.**

Rules

Complete National History Day rules are available online in the Contest Rule Book.

Interviews

During the interview time, students will discuss their project with judges. Students should not prepare a formal presentation for the interview. Rather, they will respond to judge questions. Questions could cover research, the process of creating the project, or a student's ideas on why their topic is important in history.

Dress Code

There is no dress code for History Day. Students should wear clothing that makes them feel confident!

Public Viewing of Projects

The public is welcome to view Documentaries and Performances as they are presented. The Exhibit hall is open for viewing during the First-Round of judging. Website interviews are open to the public, however, judges have viewed these projects in advance. Website students will respond to interview questions, rather than present their Website. No audience interruptions of student presentations or interviews, other than by judges, will be permitted.

Final-Round Judging

There may be a Final-Round of judging in the Exhibit and Website categories, but students are not present for this round. Exhibits must remain in the Exhibit hall until Final-Round is complete.
