Dear Sir: I hereby notify that Carl Hammerberg is not in my employ he has been in the habit of going to the City every Saturday morning and last Saturday he was leaving without my permission and he has not reported up to this P.M. Mr. Vasaly you know a man working on a farm cannot be going to the City and spend two nights away while the chores have to be done and that is part of his work he is not a very ambitious young man.

I think it would be wise to send one of your agents to come here and investigate his case my residence is now at Lakewood, half mile out of the City limits

Sincerely Truly
H. H. Thompson
